

Corporate Matching Partners

To our knowledge, the following local companies offer a matching gift when their employees make a personal donation to a nonprofit organization. This means that your employer may be willing to match all or part of your donation amount with its own donation to Laurel PTO.

A “matching gift” is a donation made by a corporation or foundation on behalf of an employee that matches that employee’s contribution to a nonprofit organization. This can double, triple or even quadruple your contribution!

Our partial list of corporations and foundations with matching gift programs is below. Contact membership@laurelpto.org to help you get started.

Our list was compiled from other lists found online and may not be comprehensive or up to date, so please check with your employer. Your employer will provide you with all the information needed to process your matching gift.

If you find that your unlisted employer does offer a matching gift program, please let us know so that we can add them to our list. Thank you!
