

we want **YOU** in the yearbook!

We are working hard to create a yearbook that will be packed **full** of *fun* photos and we need your help!

PHOTOS WE NEED--CHOOSE 2 OR 3 TOPICS

We will not be able to include in the yearbook every image we receive, but we will include at least one image of every student who submits a photo. That's why we recommend you respond to only 2-3 of the photo-collection campaigns. If you respond to 10 of our photo-collection campaigns, we will NOT be able to include you on all ten of those pages because we need to include other students too. Thank you!

Go ahead! Send 'em in!
