

SCHOOL SUPPLIES 2021-22

For the 2021-22 school year, our approach will be to ask students to bring some very basic supplies for the first days of school. Our materials lists are outdated, and need to be revised to reflect our in-person program. Teachers will provide students more detailed materials lists in the initial days, and give a deadline for obtaining those materials. Please note that Hillview stands ready to provide any and all materials for families who need them.

Recommended School Supplies:

- A backpack or shoulder bag to hold all school materials, preferably with a protective pocket for the school issued-iPad.
- Enough face masks for a student to have a clean face mask each day of the week, plus one (1) back-up mask stored in a ziploc bag for emergencies. Masks are available upon request from the front office.
- Small supply of hand sanitizer (optional).
- Student planner. We recommend that students choose a planner format and size that works for them, and Hillview also has a generic planner it can give to students.
- Binder paper: 500-sheet pack (Keep ~30-50 sheets in your binder, to be replenished weekly). Store your binder paper in a folder or small binder until you get your specific materials lists from teachers. You may recycle a binder or folder from previous years.
- Pencil pouch to hold the following:
 - two (2) *blue or black* ballpoint pens
 - one (1) *easily visible* correcting pen of any other color (red, green, purple)
 - two - three (2-3) sharpened pencils (or mechanical *with extra lead*)
 - one (1) basic set of colored pencils
 - one (1) hand held pencil sharpener that 'catches' the shavings (unless using mechanical pencils)
 - one (1) larger eraser
 - two (s) highlighters, each a different color
 - one (1) glue stick
 - one (1) stylus for iPad (also available in the office)

Technology Supplies:

- iPad Keyboard (optional) - Students may bring their own keyboards. Please note that Hillview does have keyboards available in all classes. Some keyboards will be available for check out in the office as well.
- iPad Mouse (optional) - Students may bring their own mouse
- Headphones/earbuds (optional) - Students may bring their own headphones/earbuds to be used ONLY with student iPads at teacher discretion in classrooms. Not to be used at brunch/lunch or without teacher permission.
