

# 2016/17 Oak Knoll Yearbook Classroom Photographers

**The Yearbook Committee needs classroom photographers to help take photos of students for the annual Oak Knoll yearbook that is distributed at the end of the school year!**

If you attend field trips or help during various school activities and like to take digital photos of your child and their friends, this is the perfect opportunity for you to get involved. Throughout the year, classroom photographers will assist the Yearbook Committee by obtaining at least one candid photo of each student in their child's classroom. This will help the committee in its goal to have every Oak Knoll student represented.

After taking photos, you will upload your photos to a shared folder for your child's classroom. The deadline for submitting photos is usually end February/early March. The time commitment is minimal as photos are taken over several months. Further detailed information and a brief (and optional) meeting will take place in the Fall.

***Your time commitment is small but your contribution is extremely helpful.  
Thank you!***
