Title: 2018-2019 School Year Information

Good Morning,

The LunchMaster hopes you are having a great summer! We look forward to another great year ahead and are thrilled to continue to provide meals for **Menlo Park City School District**. The LunchMaster is a family-owned and -operated business founded in 1994. We make fresh, homemade meals with high quality, nutritious ingredients. We offer up to 12 options to choose from daily, with over 180 total menu items. Attached is a flyer that illustrates how our lunch program works in five easy steps.

Our School Code Flyer (attached) illustrates a step-by-step process on how to register for a LunchMaster account and order meals on our platform. Registering for an account is easy and can be done by [clicking here](#). After registering, you can order meals by [clicking here](#). These links, as well as other helpful information, can be accessed from our website, www.thelunchmaster.com.

We are committed to promoting the health and well-being of your students. One of the ways we engage with our parents and students is through our social media accounts on [Facebook](#) and [Instagram](#). On these platforms, one of our Registered Dietitians will post recipes and nutritional information. We would love to have you participate and sincerely value your thoughts and ideas!

Attached is a pdf document introducing our family team. If you have any general questions or concerns, please feel free to contact The LunchMaster customer service anytime at lunchmaster@nobhillcatering.com or (855) 565-8624 and select option 2.
