Developing District's Local Control Accountability Plan (LCAP)

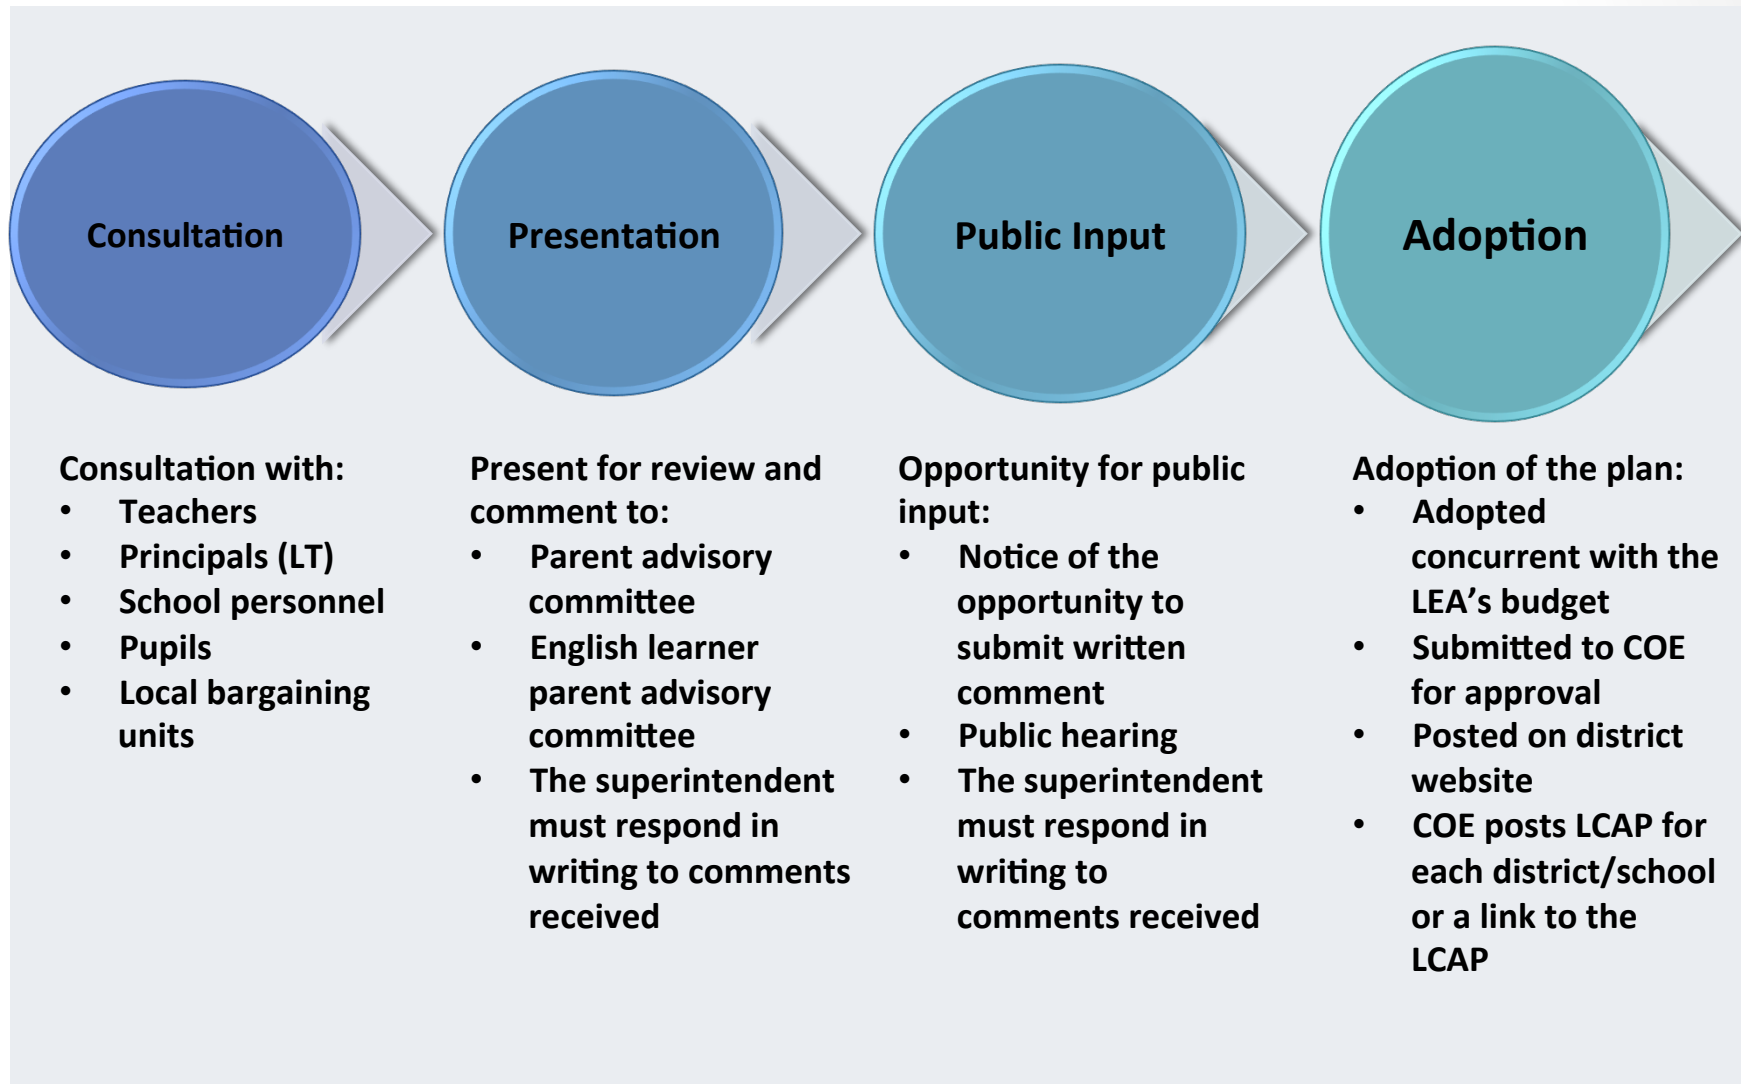

- Local governing board must adopt LCAP, which will be effective for a 3-year period and updated every July 1
- Set annual goals in each of the eight (8) priority areas for the subgroups with at least thirty (30) students. Potential subgroups are:
 - Ethnic/racial subgroups
 - Socio-economically disadvantaged students
 - English Learners
 - Students with disabilities
 - Foster youth (at least 15 students)

Identify the specific actions the District will take to achieve those goals as aligned to the budget

Integration With Program Improvement

- This year we are in Year 2 Program Improvement (PI2) for our English Learners.
- We did not meet our Annual Measurable Objectives for EL Students on the ELA CST.
- Year 2 Requires that we create an improvement Plan.
- The Goals and Action Steps for PI2 will be the same for the LCAP and the PI Plan.

Time Line for the Program Improvement Plan

- November: Accountability Data Release
- December: EL Parent Notification/ Begin Needs Assessment
- January/ February : Draft, Review, Evaluate, Revise Plan
- February/ March: Board Approval/ Assurance Signatures
- March 10: Submit to State Accountability Office
