This school map shows the suggested walking routes and bicycle routes within the school area for up to a 1-mile radius. For informational purposes, traffic signals and all-way stop-controlled intersections are illustrated on the map. Crosswalks are shown along the suggested walking routes.

For further information on walking and biking to school, visit the District webpage at: http://district.mpsd.org/ (Departments > Transportation)

A Citywide bike plan is also available for download at: http://www.cca.ca.gov/plans_reports.html (San Mateo County Full Size Bicycle Map)
